

Partnering to ensure that every child has every chance

Mission

Achieving world-class student futures through genuine partnerships.

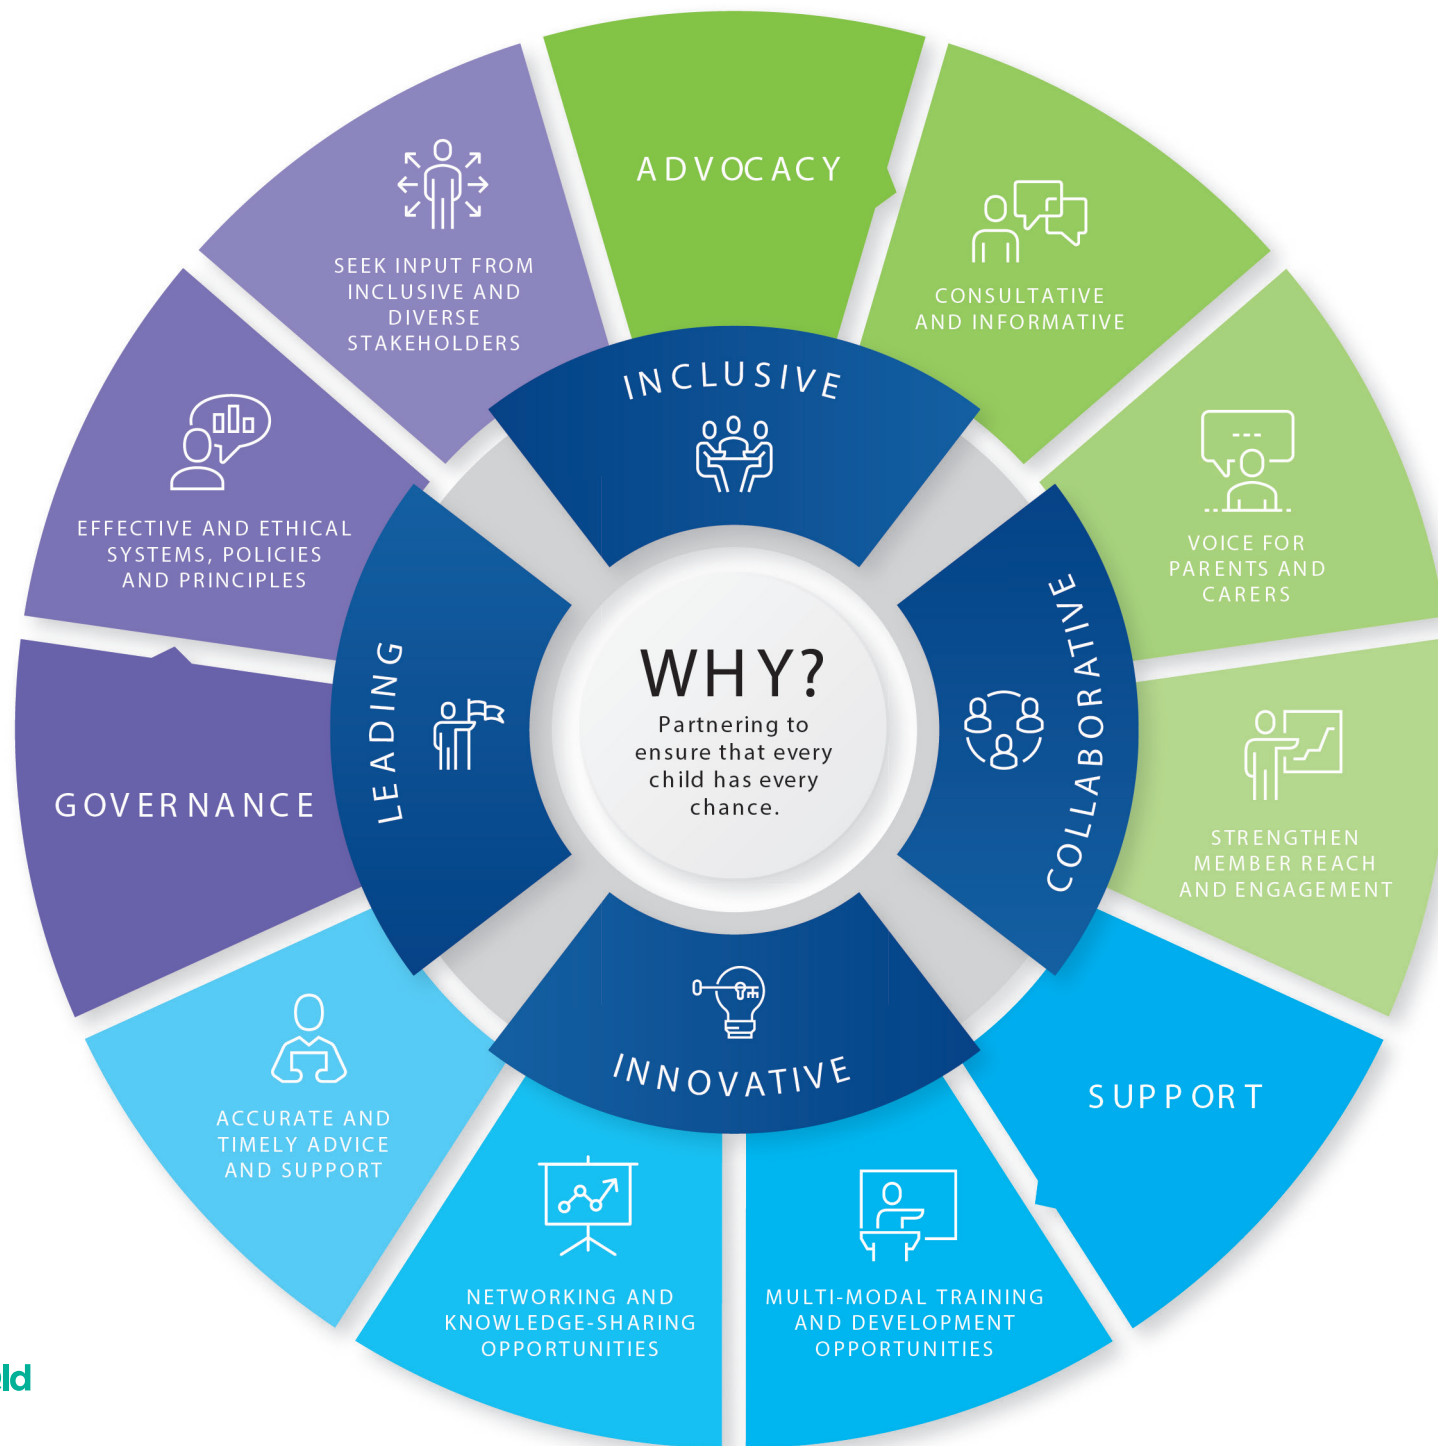

Leading the way

QCPCA (P&Cs Qld and School Councils Qld) is the lead agency for all state school communities across Queensland supporting the essential role that parents and carers play as true partners in the educational experience for their students.

P&Cs Qld values

Operating with integrity and commit to being:

- inclusive
- collaborative
- innovative
- leading.

ADVOCACY

Key levers for delivery:

- A voice for parents and carers in state school communities at a state and federal level on educational issues
- Information and data on P&C and School Council engagement across Queensland
- Consultation with members and key stakeholders to ascertain current and relevant issues

Key success measures:

- Increased interagency consultation opportunities
- Demonstrated effectiveness of advocacy representation
- Increased consultation opportunities provided to members on key matters and educational issues

SUPPORT

Key levers for delivery:

- Accurate and timely advice and support to all P&Cs and School Councils through a variety of platforms
- Networking and knowledge-sharing opportunities through Area events
- Accessible and innovative multi-modal training and development opportunities

Key success measures:

- Increased utilisation and access to training resources and materials
- Increased number of attendees at support events and Area networking
- Increased number of training opportunities

GOVERNANCE

Key levers for delivery:

- A model for exemplary governance practice for parent bodies in Australia and internationally
- Strong and ethical governance systems, policies and principles to ensure transparency and accountability
- Inclusive and diverse key stakeholders, who are aligned with the values and position of the organisation

Key success measures:

- Develop and present a number of professional development opportunities to build governance capacity
- Demonstrate transparent and accountable governance and business processes to members and key stakeholders
- Diverse range of skills and interests represented throughout Board, volunteers and staff

Company objectives:

- Represent and advocate on behalf of Parents and Citizens' Associations and School Councils to any government body or agency.
- Foster and encourage the activities of Parents and Citizens' Associations and School Councils in the interests of state school students.
- Ensure children receive the best possible education in government schools and for that purpose, to initiate and support action toward the improvement or reassessment of education.
- Promote the cause of education in government schools and facilitate community involvement in education.
- Become a member of and cooperate with any group, association or entity which has similar aims and objects to those of the company.
- Affiliate and join any entity representing Parents and Citizens' Associations or School Councils at a national level.
- Be non-sectarian and non-party political.
- Carry on any business conducive to the objects of the company.
