

How to: Register your P&C for a scheme ID

Why does our P&C need a CRS scheme ID?

Individuals returning an eligible drink container to a refund point can choose to donate their 10c refund to a community group or charity of their choice.

To make this choice, they will provide the community group or charity's scheme ID number.

State school P&Cs that have registered their details to obtain a CRS scheme ID can give out this number to their school community and encourage people to choose the P&C whenever they return eligible drink containers.

How do we register our P&C for a CRS scheme number?

1. Go to the Containers for Change website and choose the "Community groups" menu.
<https://www.containersforchange.com.au/community-groups-and-charities>
2. Then look for the link that says "SIGN-UP NOW".

Have you registered for your scheme account?

Registration is now open for community groups, schools, charities and clubs to become donation points under the scheme. **SIGN-UP NOW** and receive your scheme ID.
